Gary,

Following up from the meet-and-confer, we discussed the issue internally, and Plaintiffs have decided that we will not be filing a joint discovery letter with the Court concerning the confidentiality designations challenged in the June 30, 2017 letter.

Mr. Rubin,

The date of our meet and confer (Thursday July 13) falls on the eve of the 14 day meet and confer deadline. Thus, we expect that you will have reviewed the challenges and determined which documents have been inappropriately designated confidential and which you still contend are

confidential and why. To facilitate your review, please find attached the challenged documents chart with two additional columns where you may indicate your position with respect to each challenge. If you agree that a specific document will be de-designated, simply check the "Agree" box, or if you disagree with the challenge, please provide an explanation in the "Disagree" box. Please fill out the chart so that we can have an informal discussion about each document and decide how to proceed before expiration of the two week meet and confer period.
