Today we learned that the comment period has been extended thirty days to June 22, 2017, so we have a little bit more breathing room to figure this out. Continuing to hear nothing from any of you, I assume Monsanto will not lift the confidential designations on any of the documents. As such, and given the extra time we now have, we will finalize our portion of the discovery letter and get it to you Friday or over the weekend.

See you tomorrow,

Aimee

Dear Heather and Jim,

Hearing nothing, I assume we need to seek judicial assistance. We are going to take our letter and turn it into a discovery letter and hope to file by Friday evening. I hope to get you our portion by tomorrow evening but the bases for our request is laid out in the letter I sent you yesterday so you can begin drafting your portion.

Thanks,

Aimee
