1 Defendant Monsanto Company ("Monsanto") provides the following list of exhibits
2 ("Exhibit List") which may be offered at trial. Monsanto notes that this filing precedes rulings on
3 certain motions *in limine* and reserves the right to amend its Exhibit List following the Court's
4 rulings on the pending motions. Monsanto reserves the right to replace any exhibit with its native
5 form at the time of trial. Monsanto further reserves the right to amend its Exhibit List, for
6 example to offer additional exhibits solely for rebuttal not identified on this Exhibit List, or which
7 may become known at a later date. Monsanto does not waive its objections to any of the exhibits
8 on this Exhibit List if offered into evidence by Plaintiff. The inadvertent inclusion of any

10 claim of privilege or a waiver of Monsanto's rights governed by the Protective Order entered in
11 this litigation. Monsanto deems any document on the Exhibit List previously identified as
12 "confidential" to remain "confidential" until and unless such document is entered as an exhibit at

16 on its Exhibit List or Plaintiff's exhibit list. Finally, Monsanto reserves all prior privilege claims,
17 assertions, and objections previously asserted in this litigation that may pertain to exhibits on this
