Hey! Very much looking forward to this. (I've wanted to meet Vance Crowe - very glad he'll be there.)

Is it possible for you to ask attendees to watch Rob Saik's Ted Talk (<https://www.youtube.com/watch?v=xvFD6DRn0Cg>) as prep for the session? If we're going to use it as a case study, it would be great if people can watch in advance.

Hello Everybody,

We're moving along well and this is coming together fast. I look forward to seeing you in a few days.

I've attached the final schedule. To Keith, Curt and Karl... I think I promised you some slides and will pass those along.

Right now, does anyone need to adjust the title or time? We have some flexibility.

Kevin
