RE: PUBLIC RECORDS REQUEST of July 13, 2018, Reference # W004321-071318

Dear Anonymous User,

The University of Florida received a public information request from you on July 13, 2018. Your request mentioned:

"All records to, from, and about Kevin Folta regarding all financial disclosures, disclosures of outside activities, and conflicts of interest, including the dates that they were disclosed."

This was later clarified to the following:

"Please provide copies of all "Disclosure of Outside Activities and Financial Interests" forms for Kevin Folta."

The University has reviewed its files and has located responsive records to your request. These records have been included in this correspondence and there are no redactions.

This completes the public records request.

Sincerely,

University of Florida Public Records Request Center

Hi Susan,

Yes, this is the first for 17-18.

I didn't use vacation time because I think I only took one vacation for 5 days over the last 15 years, maybe a day or two here and there. I'm glad to tap into that, but didn't realize it was necessary. No big deal. I won't use them for vacation.

FORM OAA-GA-L-267 Rev 08/12
IFAS Disclosure of Outside Activities and Financial Interests (Form 2627)

(This form should be submitted with and attached to University of Florida Form OAA-GA-L-267)

The following additional information is supplied in support of the request to engage in an outside activity and financial interest.

(1) Describe the type and amount of work or employment/activity to be done in enough detail for a reviewer to understand what you propose to do and how the proposed activities benefit you, your program, IFAS and/or the University of Florida. (Use an additional page if necessary.)

I will serve as a consultant in an arbitration hearing in Geneva, Switzerland. Two large companies are in dispute over a genetic contamination event that happened years ago, leading to substantial losses. My role will be to provide scientific evaluation of evidence that helps define a timeline of the contamination and feasibility of mechanisms. The work is fascinating and it has so far been of great value to learn how companies deal with these kinds of issues around intellectual property. Thus far I have only been contacted by Clifford Chance law firm, and I spoke with one of the other experts in the arbitration. I am a good fit for this job.

(2) Please check one of the following:

☐ This activity is consulting outside the State of Florida
☐ This activity is consulting in the State of Florida but it is on matters not related to my position
☐ This activity is not consulting
☐ This activity is not expert witness testimony inside the State of Florida

(3) Each employee is expected to track the amount of time involved in outside activities. If you have provided other disclosures this fiscal year (July 1 – June 30), how many of the 52 days allowed (including this request) will have been used? This includes evenings, weekends, and holidays. ☐ 5

IFAS Form 2627 (Revised 12-14)
May 11, 2017

Dear Dr. Burns,

I have been requested to serve as a compensated expert in an arbitration hearing between two parties. This work is not formally consultation work, it is more work as a professional witness, although there is no trial. The work is beyond my normal job at the University of Florida. My services have been requested by Clifford Chance, a law firm involved in the mediation, and I am uniquely positioned to assess the evidence of cultural and genetic practices of the parties involved to help inform a fair and reasonable decision through arbitration.

I have filed the appropriate paperwork for outside work, and guarantee that this will all be performed beyond the normal work time in my jobs as Professor and Chair here at the University of Florida. I’m asking for approval to pursue this work.

Sincerely,

IFAS Disclosure of Outside Activities and Financial Interests (Form 2627)

(This form should be submitted with and attached to University of Florida Form OAA-GA-L-267)

The following additional information is supplied in support of the request to engage in an outside activity and financial interest.

(1) Describe the type and amount of work or employment/activity to be done in enough detail for a reviewer to understand what you propose to do and how the proposed activities benefit you, your program, IFAS and/or the University of Florida. (Use an additional page if necessary.)

I have been asked to provide expert witness testimony for an upcoming arbitration hearing in May 2018. I have been retained by a law firm to provide this service. The activities benefit me by requiring me to deeply study pollination in a cereal crop, and to think about application of molecular markers in the process of tracking off-target gene flow. These topics may have eventual impacts at UF/IFAS.

(2) Please check one of the following:

☐ This activity is consulting outside the State of Florida
☐ This activity is consulting in the State of Florida but it is on matters not related to my position
☐ This activity is not consulting
☐ This activity is not expert witness testimony inside the State of Florida

(3) Each employee is expected to track the amount of time involved in outside activities. If you have provided other disclosures this fiscal year (July 1 –June 30), how many of the 52 days allowed (including this request) will have been used? This includes evenings, weekends, and holidays. 5

RE: Outside Work Update

To Whom It May Concern,

This memo accompanies the forms for the 2017-2018 Outside Activities and Financial Interests, originally completed last year. I have been providing service as a scientific expert in an ongoing arbitration hearing working for the law firm of Clifford Chance. I have performed all work on my own time, or have used vacation time when travel was necessary.

The final phase of this hearing will be conducted in Frankfort, Germany, May 14-25, 2018. I will use vacation time to participate.

To satisfy part 2(c) of the form, the work is to provide my expert evaluation of evidence in a case between Bayer Cropscience and Aventis Pharma. I am being compensated at $600/hour.

The work has no overlap with duties at the University of Florida / IFAS, as stated on the attached form. While Bayer Cropscience sponsors work in my laboratory, that project was initiated long before the consultancy, and the two have no overlap, even remotely.

I fully expect to be available, accessible and engaged with university work for the duration of this "vacation".

Sincerely,

[Signature]
