Hi Jaclyn  
Normally I don't mind tweeting but in this case I prefer not  
Let's just have a good discussion  
I am about to board my plane and will send the slides when I land  
Thanks!

All the best,  
Pam

Hi Pam –

It was great connecting with you on Friday. I had a quick follow up question from our call. We've had some employees who were interested in maybe tweeting about your presentation on Thursday. I wanted to follow up to see if you are comfortable with this. If not, we completely understand but wanted to reach out to see if that was a possibility.

Also, please send over your slides when you have a chance so we can get those loaded into our internal webstream system.

I'll plan to send over a quick overview of the event and specifics about where to go shortly. Please let me know if you need anything else.

Thanks again!  
Jaclyn
