

**VERDICT FORM B – JOINT VENTURE & CONSPIRACY**

If you found in favor of Plaintiff Bader Farms, Inc. on any claim in Verdict Form

A:

- 1. Were defendants acting in a joint venture? (circle one) YES NO
- 2. Were defendants acting in a conspiracy? (circle one) YES NO

If your answer is “NO” as to both 1 & 2 above, and if you found in favor of Plaintiff Bader Farms, Inc. and against both Defendant Monsanto Company and Defendant BASF Corporation on the claim Negligent Design or Failure to Warn: 2017-Present, then you must assess the proportion of the fault which each party has for Plaintiff’s damage.

Complete by writing in the percentage of the relative fault for each defendant. You may not write in “zero” for any defendant. The total of the percentages you assess must not exceed 100%.

Defendant Monsanto Company is \_\_\_\_\_ % at fault.

Defendant BASF Corporation is \_\_\_\_\_ % at fault.
