Dear Ralph,

It was nice meeting you in Gavelston and learning your recent great work. As we have discussed, we would like to invite you attend our meeting "the 8th International Symposium on Emerging Viral Diseases" to be held in Wuhan this year. According to your agenda, we set out meeting date from 20-22nd October, 2018, immediately after your meeting in HongKong. Your local cost and travel between Hong Kong and Wuhan will be covered by our meeting sponsor.

Looking forward to hearing your positive reply.
