RE TLX SENT 2.11.76 FROM MIKE ROSE

TELEX SHOULD READ

RE YOUR TELELOF 29 OCTOBER 1976. VOMITING THOUGHT TO BE A FUNCTION OFNA RATE OF ABSORPTION. IN OUR EXPERIMENTAL WORK, ANIMALS EITHER VOMIT WITHIN ONE HOUR OR NOT AT ALL. SUBJECT 12 IN UTUDY (EMC) APPARENTLY HAD FLOWSLOW ABSORPTION (SEE PAGE 6 BAYLISS REPORT) WHEN VOMPARED TO SUBJECT 10, WHICH MAY EXPLAIN UNUSUAL DELAY.

MANY THANKS FOR COMMENTS

ZMIKE ROSE

SORRY FOR DYROR
