Dear all,

FW: New analysis
of PP796 emetic ...

Meredith_1987.pdf

In the interests of ensuring that everyone is fully up-to-speed on this I attach the e-mail (with attachment) sent to Jon yesterday in advance of the planned teleconference this Friday (3rd May). I also attach a pdf copy of the 1987 Meredith & Vale publication ahead of today's call.

Janis / Monty did you also want to invite Anna (Shulkin) to avoid having to do a separate briefing for Canada ahead of a possible communication from Jon to PMRA?

Regards.

Andy
