Dear Sir or Madam,

As the preprint of manuscript using the sequences MN312240-MN312869 is ready to be published soon, I hereby request that these sequences be released on 1st June 2020.

If there is any problem about the release please let me know.

Thank you!

Best wishes

Ben Hu

> 抄送:

> 主题: extension of release GenBank MN312240-MN312869

>

> Dear GenBank Submitter:

>

> We have changed the release date for the GenBank records in

> MN312240-MN312869 to:

>

> Apr 14, 2021.

>

> We have a policy to extend the release date to a minimum of one year

> from today. Your records will be not be released until this date, or until

> the data or accession numbers appear are published, whichever comes first. To

> remove the hold date for the release of your records, please send a request

> to: gb-admin@ncbi.nlm.nih.gov

>

> If you have additional information about your sequences or if you

> wish to make further revisions, please inform us. Revisions to your

> data may pertain to the bibliography, to the biological data (e.g.,

> new features), or to the sequence data. Please send additional

> revisions to: gb-admin@ncbi.nlm.nih.gov

>

> Since the flatfile record is a display format only and is not an

> editable format of the data, do not make changes directly to a flatfile.

> For complete information about different methods to update a sequence

> record, see: <https://www.ncbi.nlm.nih.gov/Genbank/update.html>

>

> Thank you for your update notification.

>

> Please reply using the current Subject line.

>

> Sincerely,
>
