Subject: ACTION:: Request Memo for (b) (5) - response requested by November 5

Dear Colleagues,

As you know, NIH has significant investments in biomedical research and collaborative activities with the Chinese government, academic, and industry partners. While the largest NIH Institutes, NIAID and NCI, have supported dedicated science officers in China that benefit their respective Institutes, (b) (5)

As a pilot, (b) (5)

(b) (5)

If you would like to participate, please review the attached memo and email a signed copy to (Gaskins, LaShell, NIH/NCI, (b) (6) with a cc to FIC DIR (Officer, Jackie, NIH/FIC, (b) (6) no later than close of business November 5, 2018.

If you have additional questions, please feel free to contact Dr. Christine Sizemore, Director - Division of International Relations, FIC (b) (6).

We're excited about the potential to seize the research opportunities in China more effectively and efficiently by (b) (5). Thanks for your consideration and support.

Best regards,
