Yes, with funds to be used for Objective 3, Task 3.1 – gateway IPM workshop.

For in-kind match contributions, how were the values for each donated cost determined. The value for in-kind match contributions must be based on the fair market value for a similar good or service.

PUBLIC REPORTING

If funded, FFAR will report the proposal in its next annual report. You hereby provide consent for FFAR to include information about the proposal, including the Grantee and PI's names, proposal abstract, total grant amount, matching funder(s), on FFAR's website and in press releases, newsletters, annual reports, speeches, congressional reporting, fundraising activities, and other public disclosures. In addition, if funded, we may publish reports on the Grant or other activities undertaken pursuant to the Grant, briefly describing its accomplishments and results, and we may respond to reasonable inquiries on the same.

FFAR will discuss potential communications activities with You related to this Grant, including the issuing of press releases, whenever possible in advance of such communication, to the Director of Communications for matching funder listed below, or such other contact as you may provide from time to time. Neither We nor You shall use the name or logo of the other in any public announcement, press release, advertising or other public disclosure without prior written consent and will provide notice ten (10) days in advance for review prior to final editing or any such disclosure.

You shall not issue press releases or any public announcements without consulting with FFAR's Communication Department prior to these activities. You shall send to FFAR, through the Director of Communications listed below or such other contact as provided by FFAR from time to time, copies of all papers, manuscripts and other materials which the Grantee produces or publishes that are related to this Grant.
