Hi Buddy,

Lindsay Dodd has requested to be a member of the Maryland Pesticide Advisory Committee and we currently have a vacancy left by Mark Fuchs. Mary Ellen and I think Lindsay would be a good choice. Her request is below and resume attached. Current members are:

Executive Order Member Affiliation

Secretary of the Department of Agriculture\* Carol Holko

Secretary of the Department of Natural Resources\* Don Van Hassent

Secretary of the Department of the Environment\* Dr. Jed Miller

Secretary of the Department of Health and Mental Hygiene\* Clifford Mitchell

One representative of the University System of Maryland with expertise in pesticides, designated by the Chancellor David Myers

One member of the Senate of Maryland, appointed by the President of the Senate Senator Jennings

One member of the House of Delegates, appointed by the Speaker of the House Delegate Otto

One member of the Maryland Agricultural Commission, selected by the Secretary of Agriculture Henry Schmidt

**Seven members with subject matter interest or expertise named by the Secretary of Agriculture in consultation with the Governor's Office:**

Mark Hardin Howard County Public School System

Wendy Klein-Schwartz Maryland Poison Center

Dr. Richard Kramer Innovative Pest management, Inc.

Dr. Frederick Kutz, Chair EPA retired

Thomas H. Pheiffer EPA retired

VACANT (Mark Fuchs - Southern States Cooperative)

Dean Graves Chevy Chase Country Club

We also need to replace Henry Schmidt with someone from the Ag. Commission now that he's cycled off the AC. Need to think about that one.

Lindsay is one of the members that you are to consult with the Governor's office about, but we haven't done that with recent appointments I don't think. May we offer Lindsay the spot?

Thanks,  
~Carol

Carol,

As per your request, I am forwarding your Lindsay Dodd's June 30, 2014 email to me.

Dennis,

Thank you for the information. I have attached my resume with my biography in it. If I am not appointed, I will plan on attending the meetings.

Thank you,  
Lindsay A. Dodd

> Thank you for your inquiry regarding the Maryland Department of Agriculture's Pesticide Advisory Committee. You are right, there is currently one vacant position under the Secretary's appointees. I will let both Secretary Hance and Deputy Secretary Setting know of your interest in serving on the committee. Currently, there is no formal application process for appointment to positions on committee. If you would like to provide me with a bio or resume, I will provide the Secretary and Deputy Secretary with copies.  
>  
> With regards to your question about the committee meetings yes, they are open to the general public. In addition, the committee implemented a process to allow the general public to provide comments to the committee by making a 5 minute presentation at the end of the meetings.

>> Hi Dennis,

>>

>> My name is Lindsay Dodd and I work with Lynne Hoot at Maryland Agricultural Associates. We met a few times in Annapolis at pesticide workgroup meetings and during session on the neonic bill.

>>

>> I am working as the Policy Director for Delaware/Maryland Agribusiness Association and also represent CropLife America and am interested in becoming more involved in pesticide issues here in Maryland. I saw that you were the contact for the Pesticide Advisory Committee and also saw there was a vacancy under the Secretary's appointees. I was wondering if the meetings are open for others to attend or if I could possibly apply to be appointed to the committee?
