Hi there,

Here is the updated report. We corrected the map in the preface to accurately depict PREDICT's GHSA countries.

Coming next week

is the M&E Excel file for  along with the appendix containing our project's maps and models for this period of performance.

Best,

Hi there,

Please find attached the final version of PREDICT's 2019 Semi-annual report. It's a pretty great edition, hope you like it.

Enjoy!
