Hi Peter

I guess it was only a matter of time but I have been foia'd too. Let's only communicate via Gmail. They want your emails through me and many others.

they say that “Thomas Renz” is one of the lawyers behind this. That’s the person our former staff member Andrew Huff has been working with.

It doesn’t make it any less frivolous or insane, but it does suggest that part of their motive is to elevate their standing politically, and make money from their websites etc.

Cheers,

Good talking with you both and sorry it's under these circumstances.

Here's a dropbox link to the pdf (it's a 40+ Megabyte file):

[REDACTED]

Once you've chatted with your lawyers, let me and Aleksei know if you want to talk with ours. Maybe it's really simple that if they don't serve you, it becomes null and void – but probably that's just wishful thinking...

Cheers,

Peter
