

## DEFENSE INTELLIGENCE AGENCY

WASHINGTON, D.C. 20340-5100

U-26-4011/IMO-1B (FOIA)

March 31, 2026

Law Office of Mr. Nathaniel M. Lindzen  
57 School Street  
Wayland, MA 01778

Dear Mr. Lindzen:

This is the 10<sup>th</sup> interim response to the Freedom of Information Act (FOIA) request dated May 5, 2024 that you submitted to the Defense Intelligence Agency (DIA) requesting records pertaining to 1) correspondence to or from three named individuals containing key terms; 2) genomic analysis authored/performed by the named individuals; 3) a DIA-originated working paper, to include versions and corrections on or before the date of publication. The time frame requested was September 1, 2019 – January 1, 2021.

As you are aware, this case is currently the subject of litigation in the United States District Court for the District of Columbia, case number 24-cv-00982.

A search of DIA's systems of records located documents identified as responsive to the requests described above. This response addresses 16 records (168 pages). Upon review, it has been determined that some portions of 14 documents (159 pages) must be withheld in part from disclosure pursuant to the FOIA. The withheld portions are exempt from release pursuant to Exemptions 1, 3, 5, 6, 7(C), 7(D), and 7(E) of the FOIA, 5 U.S.C. § 552 (b)(1), (b)(3), (b)(5), (b)(6), (b)(7)(C), (b)(7)(D), and (b)(7)(E). Exemption 1 applies to information properly classified under the criteria of Executive Order 13526. Exemption 3 applies to information specifically exempted by a statute establishing particular criteria for withholding. The applicable statutes are 10 U.S.C. § 424, 50 U.S.C. § 3024(i), and 50 U.S.C. § 3024(m). Statute 10 U.S.C. § 424 protects the identity of DIA employees, the organizational structure of the agency, and any function of DIA. Statute 50 U.S.C. § 3024(i) protects intelligence sources and methods. Statute 50 U.S.C. § 3024(m) protects the names and identifying information of ODNI personnel. Exemption 5 applies to information that falls within one of the civil discovery privileges. In this instance, DIA has asserted the deliberative process privilege. Exemption 6 applies to information which if released would constitute an unwarranted invasion of the personal privacy of other individuals. Exemption 7(C) applies to personal information in law enforcement records, the disclosure of which could reasonably be expected to constitute an unwarranted invasion of personal privacy. Exemption 7(D) protects law enforcement information, the release of which could disclose a confidential source. Exemption 7(E) protects law enforcement information, the release of which would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law.

Further, I have determined that 2 documents (9 pages) must be withheld in full from disclosure pursuant to the FOIA. These withheld documents are exempt from release pursuant to Exemptions 3 and 6 of the FOIA, 5 U.S.C. § 552 (b)(3) and (b)(6).

DIA has not withheld any reasonably segregable non-exempt portions of the records.

You can expect the next interim response in April 2026.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Wadsworth" followed by a flourish and the word "for".
