iMessage,Incoming,2015-11-28 00:11:37 (UTC),Dan- do I understand this right...dad had a patent for gly and dicamba. Not gly and 24d? I'm trying to catch up but have been traveling. I thought last week it was a gly and 24d patent and was an issue for enlist. You note from jack said gly and dicamba And just want to make sure I have this straight.
