Donna –

Attached is the messaging guide for tomorrow's interview. We can review this on the plane!

Subject: IARC Talking Points for Donna

Hello,

Per our conversation with Donna this afternoon, we've put together a page of talking points and likely FAQ for Donna to practice with before her interview tomorrow. We tried to find a good balance of Donna's personality and conversational tone, and the official messaging that's been previously used. Please let us know if you have any questions.

Thank you.

Chelsey
