Subject: RE: Congratulations -- Product Stewardship Spotlight

All,

I am working to get the awards recognized at various functional Town Halls (Corporate Engagement & regionally) over the next couple of months. April 20th is specifically for Technology employees, but all of you on this email are welcome to attend. Please let me know if you need the meeting invite.

Thanks,

Diane

All,

I want to bring to your attention that your Stewardship Spotlight will be highlighted during the Technology Town Hall on Wednesday, 4/20/16. Jeff Veenhuizen will highlight selected projects during the operations update, and we will have posters displayed in AA Café as well.

I hope you can make it.

Diane

Subject: Congratulations -- Product Stewardship Spotlight

All,

It's my pleasure to inform you that you have been selected to receive Monsanto's Stewardship Spotlight, a recognition awarded by Product Stewardship leaders for exceptional contributions by individuals and groups outside the traditional scope of the Product Stewardship Award of Excellence. Your efforts around **Defending Glyphosate after IARC Misclassification** are a significant achievement and you should be proud of this accomplishment.

Product Stewardship protects our customers, their crops, the environment, and the value of our industry at large, and your efforts are influential in ensuring that Monsanto's commitment to Product Stewardship remains a vital component of our culture.

The Spotlight winners will be featured in Monsanto Today (3/2/16), and each of the selected projects will be recognized at regional town halls or comparable meetings. Individually, you will receive an award and a recognition letter.

Product Stewardship is everyone's job. On behalf of Monsanto and personally, I thank you for your active role and personal commitment to our stewardship program.

My best always,

Diane Re

Stewardship Policy Lead
