Subject: RE: Funding for analyses

Well, when Steve Adams sent me the invoice, I forwarded that very day. Unfortunately, I forwarded BACK to Steve ADAMS instead of TO Steve DULLE.

So it is in the right place now and you can reply to Solomon that it is in the process of being paid.

Erin and Steve,

What is the status of payment for Keith Solomon? See below.

Thanks,

Joy

Subject: Funding for analyses

Joy,

I have not heard further news regarding the repayment of the contribution agreement with Fisheries and Oceans Canada for the analysis of POEA.

Our financial year-end is July and we would like to have all payments in before that time.

Would be grateful if you could update us on the status of the payment.

Keith
