**UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA**

IN RE: ROUNDUP PRODUCTS  
LIABILITY LITIGATION

Case No. 3:16-md-02741-VC

**~~PROPOSED~~ PROTECTIVE AND  
CONFIDENTIALITY ORDER**

This document relates to:  
  
ALL ACTIONS

It is hereby **ORDERED** and **ADJUDGED**, that:

1. This Protective and Confidentiality Order (“Protective Order”) governing the disclosure of confidential, proprietary, and other protected or privileged information by any Party to this action is hereby entered.
2. For purposes of this Protective Order, any Party may designate as “Confidential Material” any information regarded as confidential by the Party that is contained in any document, written discovery response, testimony, or other material produced or provided by that Party or its representative(s) to any other Party, whether provided voluntarily, pursuant to formal discovery procedures, or otherwise. Nonetheless, the Parties acknowledge that this Order does not confer blanket protections on all disclosures or responses to discovery and that the protection it affords from public disclosure and use extends only to the information or items that are entitled to confidential treatment under the applicable legal principles.

- 1       3.     Any Party may designate a document as Confidential Material by stamping it  
2           “Confidential,” or “Subject to Protective Order.” All pages of any document that bear  
3           such a legend are subject to this Protective Order. The Party shall affix the stamp in  
4           such a manner so as not to obscure the text of the document.
- 5       4.     Due to the complexity of this action, which is estimated to involve millions of pages  
6           of documents, and to facilitate the flow of discovery material, at the time of initial  
7           production, the producing party may designate an entire document as “Confidential” if  
8           it believes in good faith that any part of the document is confidential or if the  
9           document falls within a category of documents that the designating party believes is  
10          likely to contain a large volume of Confidential material.
- 11      5.     After review, the receiving party may request that the producing party identify for  
12          specific documents (no more than 500 documents in a 30 day period) what parts of  
13          those documents are confidential. The challenge process described below in  
14          paragraph 16 may then be used to resolve any disputes as to those designations. If it  
15          comes to the designating party’s attention that information or items that it designated  
16          for protection do not qualify for protection, that designating party must promptly  
17          notify all other Parties that it is withdrawing its mistaken designation.
- 18      6.     To the extent that information stored or recorded in the form of electronic or magnetic  
19          media (including information, files, databases, or programs stored on any digital or  
20          analog machine-readable device, computers, Internet sites, discs, networks, or tapes)  
21          (“Computerized Material”) is produced by any Party in such form, the producing Party  
22          may designate such materials as Confidential by marking the container in which the  
23          media is produced “Confidential.” For electronically stored information produced in  
24          native format, designation of documents as “Confidential” may be made in a produced  
25          metadata field or in the file name. Whenever any Party receives Computerized  
26          Material or documents produced in native format that have been designated as  
27          Confidential, if such Party reduces such material to hardcopy form, that Party shall  
28          mark the hardcopy form with the “Confidential” designation.

- 1           7.     If responses to interrogatories, requests for admission, or other written responses to  
2           discovery quote, summarize, or contain Confidential Material, the Parties may  
3           designate them as Confidential Material by marking the face of any such response  
4           with one of the legends set forth in paragraph (3) above and indicating the page and  
5           line references of the material that are to be subject to this Protective Order.
- 6           8.     A Party may designate the transcript of any deposition in this action or any portion  
7           thereof, including exhibits thereto, as Confidential Material by either so advising the  
8           court reporter and the Parties on the record during the taking of the deposition or  
9           within thirty (30) days after receipt of the deposition transcript by written designation  
10          served upon the Parties. If all or any portion of a deposition is designated as being  
11          subject to this Protective Order, the court reporter and any Parties possessing any  
12          transcripts shall label the cover page of each transcript or copy thereof to state that the  
13          deposition includes Confidential Material, and shall label as Confidential each of the  
14          pages of the transcript or exhibits that contain Confidential Material.
- 15          9.     Any production of any confidential or proprietary material will not result in or be  
16          construed as a waiver, in whole or in part, of (a) the producing Party's claims of  
17          confidentiality either as to the specific information disclosed or more generally as to  
18          the subject matter of the information disclosed, or (b) the party's right to later  
19          designate the material as Confidential pursuant to this Protective Order. In the event  
20          that a Party produces any Confidential Material without attaching one of the legends  
21          described in paragraph (3) above, the Party may subsequently designate the material as  
22          Confidential at any time by forwarding to the opposing Party copies of the material  
23          bearing one of the legends required by paragraph (3) and requesting that the opposing  
24          Party destroy all prior copies of the Confidential Material. Upon receipt of such a  
25          request, the opposing Party shall destroy all copies of the Confidential Material as  
26          originally produced and replace them with copies bearing the appropriate  
27          confidentiality legend.
- 28

1           10.    Written and oral communications between or among counsel for the Parties that refer  
2                   to or discuss Confidential Material automatically shall be subject to this Protective  
3                   Order.

4           11.    Confidential Material shall be treated by the Parties and their counsel as being  
5                   confidential and private. Any copy made of Confidential Material shall have the same  
6                   status as the original. The disclosure and use of Confidential Material shall be  
7                   confined to the permissible disclosures and uses set forth below. Confidential  
8                   Material shall be used (if otherwise relevant and admissible) solely for the litigation of  
9                   this action, including any appeals, and for any other action brought by or on behalf of  
10                  a former user of Monsanto glyphosate-containing products alleging injuries or other  
11                  damages therefrom, so long as all parties are bound by and subject to another  
12                  judicially approved protective and confidentiality order that is identical to or the  
13                  substantial equivalent to this order and has been agreed to by Monsanto. In addition,  
14                  before Confidential Material is shared with parties to other lawsuits or used for other  
15                  lawsuits brought by or on behalf of a former user of Monsanto glyphosate-containing  
16                  products alleging injuries or damages therefrom, the parties to the other action(s) also  
17                  must have entered into an ESI protocol, protocol governing privilege logs, and  
18                  protocol or agreement regarding the search and culling of data, including keyword  
19                  search terms, or alternatively only to the extent that Monsanto has consented in  
20                  writing. Confidential Material shall not be used for any other purpose without  
21                  separate written agreement of the Party that produced the Confidential Information.  
22                  All other disclosure and use of Confidential Material during the pendency of this  
23                  action or after its termination are hereby prohibited. Nothing in this Protective Order,  
24                  however, precludes Monsanto Company from making disclosures to government  
25                  authorities to the extent that it is required to disclose Confidential Material by law.

26           12.    Confidential Material may be disclosed only to the following persons and only insofar  
27                   as it is reasonably necessary to the effective prosecution of the Parties' claims and  
28                   defenses:

- 1 (a) Parties, their representatives, in-house counsel and regular employees who are actively  
2 engaged in or actively overseeing this action, or are involved in complying with any  
3 Monsanto Company legal obligations to provide information to governmental  
4 authorities;
- 5 (b) Counsel of record in this action, including their associated attorneys, paralegal and  
6 secretarial personnel, and other support staff;
- 7 (c) Experts and consultants (including their employees) who are retained by a Party to  
8 assist in this action;
- 9 (d) Third-party contractors and their employees who are retained by one or more Parties  
10 to provide litigation-support or copy services in connection with this action;
- 11 (e) Witnesses or prospective witnesses in this action;
- 12 (f) Court reporters and other persons involved in recording deposition testimony in this  
13 action;
- 14 (g) Named plaintiffs in other actions brought by or on behalf of a former user of  
15 Monsanto glyphosate-containing products alleging injuries or other damages  
16 therefrom and their counsel of record, including paralegal, clerical, secretarial and  
17 other staff employed or retained by such other plaintiffs' counsel of record if the  
18 conditions of Paragraph 11 above have been met;
- 19 (h) Court personnel of this Court, or, if on appeal, of a court with appellate jurisdiction;  
20 and
- 21 (i) Jurors in this action.

22 Counsel for each Party disclosing Confidential Material in accordance with this  
23 paragraph shall (i) advise each person to whom such disclosure is made (except Court  
24 personnel, jurors, and government authorities) of the terms of this Protective Order  
25 and of the obligation of each such person to comply with those terms and (ii) provide a  
26 copy of this Protective Order to each such person. Prior to the disclosure of any  
27 Confidential Information to any person identified in subparagraphs c, d, e, f and g  
28 above, such person shall sign an Acknowledgment, in the form attached hereto,

1 acknowledging that he or she has read this Protective Order and shall abide by its  
2 terms. Counsel shall maintain a list of persons to whom confidential materials are  
3 disclosed (excluding jurors, Court personnel, and government authorities). Upon  
4 learning of any disclosure of Confidential Material to any person not authorized by  
5 this paragraph to receive Confidential Material, the Party who so learns shall  
6 immediately (i) inform in writing the Party from which the Confidential Material was  
7 originally received of such disclosure, including to whom the material was disclosed,  
8 and (ii) take all necessary steps to retrieve as soon as possible each and every copy of  
9 all Confidential Material from the unauthorized person and any person to whom the  
10 unauthorized person disclosed the Confidential Material.

11 13. Disclosure of Confidential Material in accordance with this Protective Order shall not  
12 effect, nor shall it be deemed to effect a waiver of the attorney-client privilege, the  
13 work-product immunity, or any other privilege or immunity from disclosure to which  
14 such Confidential Material may be entitled, whether in this action or in any other  
15 action or as to any non-party.

16 14. Any use of confidential or protected material at trial shall be governed by a separate  
17 agreement or order.

18 15. Each Party agrees that in the event it is served by a non-party with a subpoena or  
19 request for production of Confidential Material originally received from another party,  
20 it will give sufficient notice to allow that Party a reasonable opportunity to intervene  
21 to oppose such production. The notice shall include a description of the material  
22 sought, the date and location for compliance with the subpoena or request, the identity  
23 of the requester of the Confidential Material, the docket number of the matter where  
24 requested, and all other information reasonably necessary to intervene and oppose  
25 such production.

26 16. CHALLENGING CONFIDENTIALITY DESIGNATIONS

27 16.1 Timing of Challenges. Any Party or Non-Party may challenge a designation of  
28 confidentiality at any time. Unless a prompt challenge to a Designating Party's

1 confidentiality designation is necessary to avoid foreseeable, substantial unfairness,  
2 unnecessary economic burdens, or a significant disruption or delay of the litigation, a  
3 Party does not waive its right to challenge a confidentiality designation by electing not  
4 to mount a challenge promptly after the original designation is disclosed.

5 16.2 Meet and Confer. The Challenging Party shall initiate the dispute resolution  
6 process by providing written notice of each designation it is challenging and  
7 describing the basis for each challenge. No more than 500 documents shall be  
8 submitted to the challenge process in a 30-day period. To avoid ambiguity as to  
9 whether a challenge has been made, the written notice must recite that the challenge to  
10 confidentiality is being made in accordance with this specific paragraph of the  
11 Protective Order. The parties shall attempt to resolve each challenge in good faith and  
12 must begin the process by conferring directly (in voice to voice dialogue; other forms  
13 of communication are not sufficient) within 14 days of the date of service of notice. In  
14 conferring, the Challenging Party must explain the basis for its belief that the  
15 confidentiality designation was not proper and must give the Designating Party an  
16 opportunity to review the designated material, to reconsider the circumstances, and, if  
17 no change in designation is offered, to explain the basis for the chosen designation. A  
18 Challenging Party may proceed to the next stage of the challenge process only if it has  
19 engaged in this meet and confer process first or establishes that the Designating Party  
20 is unwilling to participate in the meet and confer process in a timely manner.

21 16.3 Judicial Intervention. If the Parties cannot resolve a challenge without court  
22 intervention, the Designating Party shall file and serve a motion to retain  
23 confidentiality under Civil Local Rule 7 (and in compliance with Civil Local Rule 79-  
24 5, if applicable) within 30 days of the initial notice of challenge or within 21 days of  
25 the parties agreeing that the meet and confer process will not resolve their dispute,  
26 whichever is earlier. Each such motion must be accompanied by a competent  
27 declaration affirming that the movant has complied with the meet and confer  
28 requirements imposed in the preceding paragraph. Failure by the Designating Party to

1 make such a motion including the required declaration within 30 days (or 21 days, if  
2 applicable) shall automatically waive the confidentiality designation for each  
3 challenged designation. The Parties may stipulate in writing to allow additional time  
4 for the Designating Party to make such a motion or the Designating Party may move  
5 the Court for additional time. If the Designating Party moves the Court for additional  
6 time to file the brief, the confidentiality designations of the documents at issue remain  
7 subject to the (e.g., 21/30 days) timelines in this paragraph unless and until the Court  
8 enters an order granting the extension. In addition, the Challenging Party may file a  
9 motion challenging a confidentiality designation at any time if there is good cause for  
10 doing so, including a challenge to the designation of a deposition transcript or any  
11 portions thereof. Any motion brought pursuant to this provision must be accompanied  
12 by a competent declaration affirming that the movant has complied with the meet and  
13 confer requirements imposed by the preceding paragraph. The burden of persuasion in  
14 any such challenge proceeding shall be on the Designating Party. Unless the  
15 Designating Party has waived the confidentiality designation by failing to file a  
16 motion to retain confidentiality as described above, all parties shall continue to afford  
17 the material in question the level of protection to which it is entitled under the  
18 Producing Party's designation until the Court rules on the challenge.

- 19 17. The production by any Party in the course of discovery in these proceedings of a  
20 document subject to a claim of privilege, work product, protection from disclosure  
21 under federal or state law, or other statutory or court-ordered confidentiality, will not  
22 result in a waiver of any of the foregoing protections, whether in these or any other  
23 proceedings, for the produced document or any other withheld document covering the  
24 same or similar subject matter. Upon notice of such disclosure, all originals and  
25 copies thereof, shall be returned to the producing Party within twenty (20) business  
26 days of receipt of such notice and the receiving party shall not use such information  
27 for any purpose until further Order of the Court. Such returned material shall be  
28 deleted from any litigation-support or other database. All notes or other work product

1 reflecting the contents of such disclosed materials shall be destroyed, and receiving  
2 counsel shall certify in writing to the producing party's counsel compliance with this  
3 paragraph. In the event of disagreement, until such time as the disagreement is  
4 resolved, the receiving Party will return the document and will not review or use the  
5 document or its contents. If the substance of the protected document is discussed in a  
6 deposition prior to the time of discovery or notification of the inadvertent disclosure,  
7 the Parties agree that such testimony may not be used for any purpose until the dispute  
8 is resolved by agreement of the Parties or by Court order. The party to whom any  
9 produced document was returned shall retain the returned materials until the end of the  
10 case, including any appeals. Within fifteen (15) business days after notice of the  
11 disclosure, the producing Party shall provide a log that describes the basis for the  
12 claim that the material is privileged or otherwise protected from disclosure. After  
13 receipt of such a privilege log, any Party may dispute a claim of privilege or  
14 protection, however, prior to any submission to the Court for an *in camera* review, the  
15 Party disputing a claim of privilege or protection shall provide in writing the  
16 identification of the documents for which it questions the claim of privilege or  
17 protection and the reasons (including legal support) for its assertion that the  
18 documents are not privileged or protected. Within fifteen (15) business days, the Party  
19 seeking to support the claim of privilege or protection shall provide a written response  
20 supporting the claim of privilege or protection (including legal support). The Parties  
21 will then meet and confer in good faith as to the claims of privilege or protection. If  
22 agreement cannot be met after ten (10) business days, any party may thereafter submit  
23 the material under seal to the Court for a determination as to privilege or protection.  
24 The burden of persuasion in any such challenge proceeding shall be on the party  
25 asserting privilege or protection.

- 26 18. When a Party wishes to use a document that has been designated as confidential in  
27 support of a motion or other filing with the Court, it will move the Court to file the  
28 document under seal pursuant to Civil Local Rule 79-5 which sets forth the procedures

1 that must be followed and the standards that will be applied when a party seeks  
2 permission from the court to file material under seal. Pursuant to Civil Local Rule 79-  
3 5, a sealing order will issue only upon a request establishing that the material at issue  
4 is privileged, protectable as a trade secret, or otherwise entitled to protection under the  
5 law. If a request to file a document or item under seal pursuant to Civil Local Rule  
6 79-5(d) is denied by the court, the party may file the information in the public record  
7 pursuant to Civil Local Rule 79-5(e) unless otherwise instructed by the Court. The  
8 parties also may meet and confer at any time after production regarding the  
9 confidentiality designations of specific documents.

10 19. This Protective Order shall not prevent the Parties from using or disclosing their own  
11 documents and other materials in any manner for any business or personal reason,  
12 notwithstanding their designation as Confidential Material subject to this Protective  
13 Order. The use or disclosure by a Party of its own documents or materials shall not  
14 terminate, waive or otherwise diminish in any way the status of such documents or  
15 materials as Confidential Materials subject to this Protective Order.

16 20. Upon the final determination, including any appeals related thereto, of this action, the  
17 producing Party will send a letter to the receiving Party, stating that the lawsuit has  
18 concluded and requesting that all Confidential Material be returned or destroyed. If at  
19 that time, the producing Party has entered an agreement permitting use of the  
20 Confidential Materials in another action, the producing Party may wait until resolution  
21 of that action to send the letter. Within thirty (30) days after receipt of that letter, all  
22 attorneys in possession of Confidential Material shall return all Confidential Material  
23 to the disclosing Party or, alternatively, shall immediately destroy all such material.  
24 All counsel of record shall, within forty-five days of this final determination, certify  
25 that all Confidential Material, including any such material disclosed to any other  
26 entity, has been returned or destroyed. The sole exception to the requirements  
27 described above is that information that has been incorporated into attorney work  
28 product or other privileged documents need not be returned or destroyed. Such

1 information shall be retained by the person to whom the information was produced,  
2 and shall be treated as Confidential Material in accordance with this Order.

3 21. This Protective Order shall not enlarge or affect the proper scope of discovery in this  
4 or any other lawsuit, nor shall this Protective Order imply that material designated (or  
5 not designated) as Confidential Material under the terms of this Protective Order is  
6 properly discoverable, relevant, or admissible in this or any other lawsuit.

7 22. Each Party shall retain all rights and remedies available to it under the law for the  
8 enforcement of this order against anyone who violates it.

9 23. The restrictions of this Protective Order shall continue to apply after this action is  
10 finally determined and the Court shall retain jurisdiction for all purposes in connection  
11 therewith. All persons receiving or given access to Confidential Material in  
12 accordance with the terms of this Protective Order consent to the continuing  
13 jurisdiction of the Court for the purposes of enforcing this Protective Order and  
14 remedying any violations thereof.

15 24. If a party concludes that certain documents require special or additional protections  
16 beyond the protections of this Order such as a designation of “Confidential –  
17 Attorneys’ Eyes Only,” the parties will meet and confer about those documents at that  
18 time and present the issue to the Court if no agreement can be reached.
