Defendant and Appellant.

ORAL ARGUMENT NOTICE

BY THE COURT:

This case is set for oral argument before Division 1 of the First Appellate District on **Tuesday, June 2, 2020** at 350 McAllister Street - Fourth Floor - San Francisco, CA 94102. **A notice containing the time of oral argument will be sent in a separate notice 20 days before the argument date.** Before then, the party or parties who asked for oral argument may still waive it by informing the clerk that oral argument is no longer desired. The court attaches no significance to waiving oral argument, and it understands that oral argument is often unnecessary when the parties' positions have been fully briefed.

The court has fully reviewed the briefs and knows the issues. Parties should not use oral argument to repeat points that were made in the briefs.

If a party intends to rely at oral argument on new authority that was unavailable to it during briefing, the party should inform the court and opposing counsel of the authority in accordance with rule 8.254 of the California Rules of Court and Local Rule 16 of the First District.

Please notify the clerk before the argument date if an attorney other than the attorney identified on the request for oral argument intends to present argument. If a party has made arrangements with the clerk of the court to argue by telephone, the party must be available when the case is called at the telephone number provided to the clerk. The case could be called anytime during the court's scheduled session.

Electronic devices must be silenced and placed in "airplane mode" while in the courtroom, and they may not be used to display evidence or to record the proceedings, except in compliance with California Rules of Court, rule 1.150. The First District's full policy on electronic devices in the courtroom is available at Local Rule 17.
